DCPL members visited the Mt. Zion and Female Union Band Society Cemeteries this morning! The cemeteries are located in Georgetown with Mt. Zion Cemetery (formerly the Old Methodist Burying Ground) to the east and the Female Union Band Society Cemetery to the west. Established in 1808 and 1842, respectively, both cemeteries are physical reminders of Georgetown and DC's strong and significant African American culture.

A big thank you to Lisa Fager, Executive Director of the [Mt. Zion-Female Union Band Historic Memorial Park, Inc. \(Foundation\)](#), for leading a fantastic tour of this important landmark! We were also joined by Neville Waters, President of the Foundation, who stopped by and shared some of his family's history and connection to the cemeteries!
